

Chaddy Park FC Car Wash

You may remember that in September, the Chadderton Park FC Under 8's team hosted a car wash at the Hospice to raise funds for Dr Kershaw's and their club, it was a great success and we caught up with the team whilst training to collect a donation of £100! The team had a fantastic time cleaning cars and are currently planning new dates to come back and do it all again, so keep your eyes peeled for the new dates once we have them.

Thank you once again to the team, coaches, parents and those that had their cars washed for helping to support Dr Kershaw's.
