

Easter Raffle Eggs the Hospice £400!

For the second year running, Sheer Beauty, based in Tommyfield Indoor Market have done a fantastic job with their Easter hamper raffle, smashing their 2015 figure and raising an incredible £400! The sisters used their charms to sell the raffle tickets to other stall holders from the market, customers, friends and family over the week leading up to Easter.

The well-known beauty salon in the heart of Oldham ran by Jennifer and Kathryn Lundy have pledged to continue to support the Hospice and are already planning their next raffle. They have also agreed to get involved with the Dr Kershaw's Duck Race and duck bands are available to purchase from the salon right now!

We can't thank the girls enough for their continued support.
