

Group of friends take on challenge!

Three young ladies took on a fundraising challenge after one of their mother's received care and treatment from Dr Kershaw's Hospice last year. Michelle Horrocks was joined by Heidi Smith and Emma Bland as they took on the Yorkshire Three Peaks Challenge in memory of her mum. Rita Dixon died while in the care of the hospice on February 2016. Now her daughter and her friends have helped raise a huge **£1474.85** by completing the challenge and named themselves Team Rita in remembrance of Michelle's mother. Well done and thank you ladies!
