

## Thanks to CycleTech UK

We would like to say a huge thank you to CycleTech UK for donating this brand new Diamondback Option BMX to the Hospice, to be used as a prize at one of our events, and what a fantastic prize it will be for one lucky winner!

CycleTech UK is coming up to its first year of trading from their shop on Ripponden Road, they are doing really well and have even been nominated for the Oldham One Business Awards! Paul the owner used to trade as a mobile mechanic before open in the shop and he is now enjoying benefits such as being the first shop in the UK to stock the new range of Orbea Bikes, which has even lead to international custom for him.

They stock a range of bikes, from mountain bikes, to road bikes and children's bikes, they even sell electric models and do electric conversions for all types of bikes, along with repairs and maintenance.

You can visit CycleTech UK at [www.cycletechuk.co.uk](http://www.cycletechuk.co.uk) and we're looking forward to working with them in the near future.

Thank you once again to Paul and the team.
