

Will Weeks 2016

Did you know that TWO THIRDS of people in the UK do not have a Will and that one third of those will die intestate leaving loved ones vulnerable?

Each year at the Hospice we work with a group of amazing solicitors who donate their time for our Will Weeks. This week offers a lot of benefits to our supporters. You can have your Will professional written at a significantly reduced fee and the money you save on your Will is

donated to us on your behalf. Not only that you will have lasting peace of mind knowing everything is in order.

This year we have a new solicitor on board with us, Garratts.

Angela Smith, partner at Garratts, is delighted that her firm will be involved in Dr Kershaw's Hospice Wills Week this year.

"I have visited clients at the hospice for many years and have always been impressed by how happy the atmosphere is and how comforted my clients and their families are. It is our pleasure to be involved in Wills Week to raise the profile of the hospice in testators' minds and to encourage those who support the hospice to put their own affairs in order"

As well as Garratts, we also have a list of other amazing solicitors you can contact during Will Week to book an appointment. All the participating solicitors have kindly donated their time for free.
