

Red Rose Fundraising Curry Night

The Red Rose is a Bangladeshi and Indian Restaurant in the heart of Mossley, they serve only the best in traditional cuisine and are well renowned locally for not only their food, but for also their fantastic service.

The Red Rose recently held a fundraising evening for the Hospice where they trialled a new mid-week set menu, the menu consisted of 5 courses for only £17.95 which they served to a select number of customers and donated a percentage of the takings from the evening totalling £190.

This is only the start for the Red Rose and they are beginning to plan some bigger fundraising events for the Hospice in the coming months and we wish them all the luck with them.
