

Weekly Lottery Draw

Dr Kershaw's Hospice cares for those living with life-limiting illnesses in the local community. The vital services we provide depend upon the generosity of our supporters like you. We cannot add days to a patient's life but we can add a quality of life to their last days.

Help us to make a difference by joining our Hospice Lottery and be in with the chance of winning our Weekly Jackpot Prize of £1,000 or one of our five runner up prizes of £50.

How it Works

Each £1 entry entitles you to a unique membership number which is entered into our Weekly Draw. A computer randomly selects the winner every Friday, winners are then notified and cheques are posted automatically.

Why Play

Here are three reasons to join our Weekly Lottery;

1. Since our Weekly Lottery Draw launched in 2003 our lottery members have generated an incredible **£5 million** profit for the Hospice.
2. Your **£1** a week contributes towards the specialised care, advice and support we provide to patients and their families for as long as they need us, completely free of charge.
3. Your **£1** really does make a difference! **80p** in every **£1** goes directly towards providing patient care, **9.9p** goes towards lottery prizes and the remaining **10.1p** is spent on lottery administration, training, staff costs, licenses and marketing.

(Figures are based on income / expenditure for Jan 2023)

I honestly didn't know places like this existed, the Hospice is truly amazing, and did so much for mum and our family.
