Book of
Remembrance

Thank you for your support

Thank you for dedicating a light to remember your loved one(s), which will have a special place on our beautiful tree, whilst also supporting future patients and their families when they need our help the most.

Your support for our Light Up a Life service is greatly appreciated by Dr Kershaw's Hospice. This year we received over 1,160 dedications for those who are no longer with us, but who live on in our memories and in our hearts.

It means so much to us that we can join with you to remember your loved ones and we thank everyone for being a part of our service.

Our Book of Remembrance keeps your dedications private, but includes your loved one's surname in alphabetical order. Our Book of Remembrance is also available to view online at www.drkh.org.uk/LightUpaLife
